Re: Request for Certificate of Correction

The Certificates of Correction Branch received your request to substitute informal drawings for formal drawings.

According to the Notice of Allowability of November 12, 2004 the examiner clearly stated "The drawings filed June 18, 1999 has been accepted".

The file does not contain a Notice of Draftsperson's Patent Drawing Review requesting corrected or formal drawings. In addition, formal drawings must be entered prior to paying the issue fee.

In view of the forgoing, your request is hereby denied.

If you have any questions you may contact Ms. A. Green at (703) 308-9390, ext. 123.
